FOULARDS

FOR

Spring Gowns

Here's a material meeting the demand of every woman—of the practical woman wanting a silk that will give good service, of the woman who must have something beautiful and stylish and the woman who demands something different and distinctive. These Foulards answer every requirement. They wear, they're stylish, the satin surface and soft texture being most adaptable to reigning fashions. To be had in all of the light colors.

Foulards

Every piece of Foulard in our stock is now new in style and new in our stock.

These Foulards come in the new colors, such as ashes of roses, catwala, Copenhagen, smoke, taupe, gendarme, mulberry, in fact, all of the new shades, at \$1.00 per yard, and as these come very wide it takes but a small pattern for a full-sized person.

Messaline Silks are the same class of Silks as Foulards and come woven patterns in all of the new colors. These also come 27 inches wide in a beautiful line of plain colors at \$1.00 per yard, the same price that you have been paying for 19-inch silks. Ask to see our line of these goods.

Foulards are to be worn by the select trade everywhere.

Wool Dress Goods

These Wool Dress Goods are new and several of them quite a little under the regular price.

Light-weight All-wool Shadow Baste in colors of pearl, smoke, rosead, new shade of navy, or, as of our best, and champagne, all \$1.00 dollar goods, now for this sale at but 87c per yard.

41-inch narrow Herringbone Weave, a \$1.25 cloth, now at \$1.00. Taupe shade.

42-inch Copenhagen Blue in a messaline finished wool suiting, now at \$1.00 per yard.

Navy Blue Dress Goods are extremely popular. Just now as a staple color it is far the best. You hear of greens, but navies are two to one or better.

Silks

Directoire Silks at the price are great values, being nearly or quite as good as Suesine Silk. They make beautiful dresses that are durable and, having a very brilliant lustre, are very stylish. The price for a short time longer is 29c per yard. In all the popular colors.

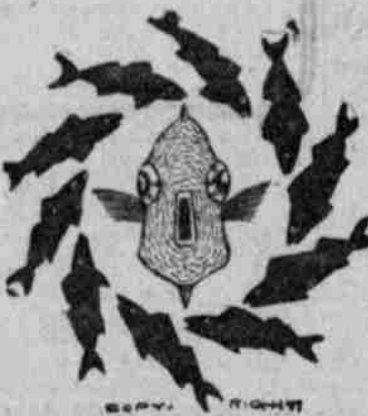

Shantung Silks in Copenhagen, blue, brown, black and champagne; would have other colors if we could get them. They are to be sold as a leading Fall silk. For the price, 58c, there is no silk cloth any better.

Hand-spun Silks in green and heliotrope are very new. Price 39c a yard.

Saco Silks are new and liberally advertised, so that you are more or less acquainted with the cloth. We are showing several new shades at 37 1/2c per yard.
